Welcome to Headway South West London. We work to support people with a brain injury, their families, carers and healthcare professionals.

Charities of the year

In August we were excited to hear that St George's University of London Students Union named Headway South West London one of their charities of the year. We hope this can help increase awareness and volunteering for our charity and will update you all later in the month.

Next allotment visit

Following on from the great turnout to our allotment back in June, come and join us with Sue as we return to our site following the summer break on

Saturday 8th September with the new time of **11am to 2pm**. See you there!

More details on where to go can be found [here at the allotment page](#).

Fourth carers group

Join Justine for tea and coffee at the next carers group meeting on **Tuesday 25th September from 10:30am**. This is a great opportunity for carers to meet others in similar situations and to share information and experiences in a confidential group at [The Plough Bar and Kitchen](#). More information can be found [here on the group page](#).

HSWL and GDPR

Given the recent changes in data protection laws, we would like to update our service users that HSWL continues to ensure compliance with the GDPR. Our new data protection lead is Alex Lowe and please email us with any questions:

Don't miss Nestor

Don't miss out on our pilot scheme with Nestor! We are running this to help ensure all our service users are receiving all the benefits they are entitled to. To find out more and how they can help, please email us:
