Welcome to Headway South West London. We work to support people with a brain injury, their families, carers and healthcare professionals.

HSWL would like to say a huge thank you to everyone who has been involved in our community and services over the past year and we wish you all the best of luck in the year to come!

We hope to continue with our regular fun social events, to have a detailed diary on the progress at our allotment, and are excited to be working on our mobile phone text message reminders...

See you all in 2019!
