Welcome to Headway South West London. We work to support people with a brain injury, their families, carers and healthcare professionals.

Richmond Group Change of Location

We would like to say a huge thank you to Moore Blatch for allowing us to host our Richmond Groups in their offices for such a long time. We are sad to announce that these groups will be moving to a new location from March. As soon as this is confirmed we will email all those on this mailing list and have further details [on our website](#).

Headway UK is 40

This year Headway UK will be celebrating all their achievements over the last 40 years! You can read all about the [journey of Headway here](#) in addition to seeing how you can [take part in the celebrations and events](#) such as [Challenge 40](#).

Joe's Story

One of our service users has had a fantastic surprise flying back to Australia with BA Magic. Joe has shared this experience and you can read and see pictures about his journey with his wife [here](#).

February Allotment

Despite the cold start to the year HSWL returned to our allotment in February! Following the hard work of everyone at the end of last year preparing the ground for the winter, we laid down fresh top soil ready for the planting season. Join us next time on Saturday March 23rd. For more information see our [allotment page here](#).

Telephone Reminders

Please may we update all our service users that we are continuing to set up the telephone reminders and hope to have them beginning from April. More information and consent forms should be available in the forthcoming groups.
